TALLBOY™

OUTDOOR

De-Chlorinator & Sediment Filter

Options

Instantly de-chlorinates your water at fast flow rates of 120 gallons per hour. Don't give your prized plants straight hose water. Can be used outdoors or indoors. Keep your beneficial micro-organisms alive and thriving. Perfect for brewing compost teas or biological extract solutions. Grow brighter flowers, bigger fruit, and healthier plants.

UV Sterilizer Kit

Kills 100% of all bacteria and viruses. Ensures the safest water.

Float Valve

Fill any tank or reservoir unattended –
NEVER FLOOD YOUR GARDEN AGAIN!

Flowmaster

Gallon meter and filter capacity monitor. Indicates when to change your pre-filters.

KDF85/Catalytic Upgrade Filter

Reduces chloramines, chlorine, iron and sulfur. Great for well or city water users.
